# PERSONAL INFORMATION PRIVACY POLICY FOR PARENTS AND STUDENTS

## The School's Commitment to You

Safeguarding personal information of parents and students is a fundamental concern of Selkirk Montessori School.

The school is committed to meeting or exceeding the privacy standards established by British Columbia's Personal Information Protection Act (PIPA) and any other applicable legislation.

This Personal Information Privacy Policy describes the policies and practices of Selkirk Montessori School regarding the collection, use and disclosure of personal information about students and parents, including the steps the school has taken to ensure personal and financial information is handled appropriately and securely.

Selkirk Montessori School may add, modify or remove portions of this Personal Information Privacy Policy when it is considered appropriate to do so, and any such changes will be effective upon giving notice of the revised policy. You may ask for the most recent update of this Personal Information Privacy Policy at the school office. This Personal Information Privacy Policy may be supplemented or modified by agreements entered into between Selkirk Montessori School and an individual from time to time.

## 10 Privacy Principles

As part of Selkirk Montessori School's commitment, the 10 Privacy Principles govern the actions of the school as they relate to the use of personal information. This Personal Information Privacy Policy describes the 10 Privacy Principles and provides further details regarding Selkirk Montessori School's compliance with the principles.

## Definitions

In this Personal Information Privacy Policy, the following terms have the meanings set out below:

**"personal information"** means any information about an identifiable individual, as further defined under British Columbia's *Personal Information Protection Act* or other applicable laws. Personal information excludes the name, position name or title, business telephone number, business address, business email, and business fax number of an individual, as well as any publicly available information as designated under applicable laws, such as information available from a public telephone directory or from a public registry.

**"Parent"** means the parent, guardian, or other legal representative of a student.

**"Student"** means a prospective, current, or past student of Selkirk Montessori School

## Principle 1 – Accountability

Selkirk Montessori School is responsible for maintaining and protecting the personal information under its control. In fulfilling this mandate, the school designates (an) individual(s) who is(are) accountable for the school's compliance with the *Ten Privacy Principles*. This individual is the *Privacy Officer* of the school.

You may contact our Privacy Officer as follows:

## Principle 2 – Identifying Purposes

Selkirk Montessori School will, before or at the time personal information is collected, identify the purposes for which the information is collected, used and disclosed.

### What Information is Collected?

Selkirk Montessori School collects and uses personal information to provide students with the best possible educational services. Most of the information the school collects come to the school directly from parents and students or is information regarding the student's school activities, performance or behaviour, such as attendance records or grades. For example, when a student applies to register in the school, the school will ask you to provide the information that enables it to complete the registration process. This also includes information on academic, health, and personal matters needed by the school to provide the best possible education and co-curricular programs.

Selkirk Montessori School may also collect information in connection with the use of its computer systems. Personal information may also be collected and used and disclosed in the course of the operation of building security systems, including video and other surveillance systems.

## Principle 3 – Consent

Selkirk Montessori School will obtain consent of the individual for the collection, use or disclosure of personal information except where the law states exemptions, grants permission, or creates a requirement for collection, use, or disclosure of personal information.

Requirements for consent to collection, use or disclosure of personal information vary depending on circumstances and on the type of personal information that is intended to be collected, used or disclosed. In determining whether consent is required and, if so, what form of consent is appropriate, Selkirk Montessori School will take into account both the sensitivity of the personal information and the purposes for which Selkirk will use the information. Consent may be express, implied (including through use of "opt-out" consent where appropriate) or deemed. For example, if an individual provides his/her mailing address and requests information regarding a particular service, consent to use the address to provide the requested information may be implied.

On giving reasonable written notice to Selkirk Montessori School, an individual may withdraw consent to the collection, use or disclosure of his or her personal information. Upon notice of withdrawal of consent, Selkirk Montessori School will notify the individual of the likely consequences of withdrawing his or her consent and, except where otherwise required or permitted by law, Selkirk Montessori School will stop collecting, using or disclosing the personal information as requested.

If a person provides Selkirk Montessori School or its service providers or agents with personal information about an individual, the person represents that it has all necessary authority and/or has obtained all necessary consents from such individual to enable Selkirk Montessori School to collect, use and disclose such personal information for the purposes set forth in this Personal Information Privacy Policy.

#### **Principle 4 – Limiting Collection**

Selkirk Montessori School will limit the personal information collected to that information necessary for the purposes identified by the school.

#### **Principle 5 – Use, Disclosure and Retention**

Selkirk Montessori School will only use, disclose and retain personal information for the purpose for which it was collected unless the individual has otherwise consented, or when its use, disclosure or retention is required or permitted by law.

#### **How is Information Used?**

- To communicate with parents, students, and grandparents who are responsible for payment of student tuition fees or who are otherwise authorized by parents to receive communications;
- To process applications and ultimately to provide students with the educational services and co-curricular programs expected;
- To ensure that only authorized persons pick up a student from school and to contact authorized persons in case of emergency or illness;
- To enable Selkirk to operate its administrative function, including payment of school fees, applications for funding to the Ministry of Education, and maintenance of non-educational school programs including parent, grandparent, and volunteer participation and fundraising;

- Health, psychological, or legal information to provide certain specialized services in those areas or as adjunct information in delivering educational services; and,
- To communicate with parents (past and present), students (past and present), grandparents who are responsible for payment of student tuition fees or who are otherwise authorized by parents to receive communications (past and present) and friends of Selkirk Montessori School, for the purposes of advising of activities and events in the promotion of the school including fund raising and other initiatives.

If for any reason personal information is required to fulfill another purpose, Selkirk will, where appropriate, request consent before proceeding. Selkirk Montessori School may use anonymous information, such as information collected through surveys or statistical information regarding students, to improve our school.

### **When may Information be Disclosed?**

Selkirk Montessori School may disclose an individual's personal information to others in connection with the purpose for which it was collected, as consented to by the individual, or as required or permitted by law. The following are some examples of how Selkirk Montessori School may disclose personal information.

#### **When Authorized by You**

- Other educational institutions routinely contact Selkirk for personal information about students. For example, if a student moves to another school, college or university, student records are requested by the enrolling institution. Your permission to pass on these records is usually obtained when the student is registered, and you authorize the school to disclose such information to other appropriate educational institutions for the ongoing education of the student.
- Contact information may be used to enable the school to provide the para-educational and administrative services usually operated by the school. These services include phoning committees, participation groups, parent meetings, fundraising, events, annual general meetings, etc.

In some cases, when communication is over the telephone, your consent to the use and/or disclosure of your information will be obtained verbally. In other cases, such as when you communicate through e-mail, your consent will be obtained in e-mail.

#### **When Required by Law**

The type of information the school is legally required to disclose most often relates to family court issues, legal proceedings, court orders and government tax reporting requirements. Student information is filed annually with the Ministry of Education.

Only the information specifically requested is disclosed and the school takes precautions to satisfy itself that the authorities making the request have legitimate grounds to do so.

#### **When Permitted by Law**

Selkirk Montessori School is legally permitted to disclose some personal information in situations such as an investigation of illegal activities, reasonable methods to collect overdue accounts, a medical emergency or suspicion of illegal activities, etc. Only pertinent information is disclosed.

The school does not sell, lease, or trade information about you to other parties.

## **Outside Service Suppliers**

At Selkirk Montessori School, the school sometimes contacts outside organizations to perform specialized services such as printing, student assessments, market research or data processing. For example, the school gives its yearbook publisher the information required to produce the annual yearbook. Suppliers of specialized services are given only the information necessary to perform those services, and Selkirk Montessori School takes appropriate steps to ensure that such information is securely transferred and stored and is used only to fulfill the purposes for which it was disclosed to the service provider.

## **Restricting the Sharing of Information**

If you choose to limit the sharing of your personal information, please contact the school office and submit a written letter specifying which items of personal information you wish to limit, and to whom you wish these items to be restricted. Please remember that certain agencies, by law, have access to certain types of personal information.

## **How Long Is Personal Information Retained?**

Personal information will only be retained for the period of time required to fulfill the purpose for which it was collected. Once the personal information is no longer required to be retained to fulfill the purposes for which it was collected and is no longer required or permitted to be retained for legal or business purposes, it will be destroyed or made anonymous.

## **Principle 6 – Accuracy**

Selkirk Montessori School will take appropriate steps to ensure that personal information collected by Selkirk is as accurate and complete as is reasonably required in connection with the purposes for which it was collected, used or disclosed.

## **How May I Update Outdated or Incorrect Information?**

An individual may, upon written request to Selkirk Montessori School, request that Selkirk correct an error or omission in any personal information that is under Selkirk's control. Selkirk Montessori School will, as appropriate, amend the information as requested and send the corrected personal information to each third party to which it has disclosed the information during the preceding year.

## **Principle 7 – Safeguarding Personal Information**

Selkirk Montessori School will protect personal information by security safeguards that are appropriate to the sensitivity level of the information.

## **The School's Employees**

Throughout daily operations, access to personal information is restricted to authorized employees who have a legitimate reason for accessing it. For example, teachers will have access to personal information about students, but not your account with the school.

Employees are appropriately educated about the importance of privacy, and they are required to follow the school's policies and procedures regarding handling of personal information.

## **Student Files**

Student files are stored in secured filing cabinets. Access is restricted to only those employees (teachers, teacher-aides, counselors, secretaries, etc.) who, by nature of their work, are required to see them.

## **Electronic Security**

The school manages electronic files appropriately with passwords and security measures that limit access by unauthorized personnel. The school's security practices are reviewed periodically to ensure that the privacy of personal information is not compromised.

## **Principle 8 – Openness**

Selkirk Montessori School make information available to individuals concerning the policies and practices that apply to the management of personal information. Individuals may direct any questions or enquiries with respect to the school's privacy policies or practices to the Privacy Officer of Selkirk Montessori School.

## **Principle 9 – Individual Access**

Selkirk Montessori School inform an individual, upon the individual's request, of the existence, use and disclosure of the individual's personal information, and shall give the individual access to it in accordance with the law.

## **How May I Access My Personal Information?**

Individuals may access and verify any personal information with appropriate notice so that the office is able to supply the information required. Most of this information is available in the registration forms and other forms that you filled out.

## **Parent Access to Student Personal Information**

A parent may access and verify school records of the student, with appropriate notice during normal school hours. In situations of family breakdown, the school will grant access to records of students in accordance with the law.

## **Exceptions to Access of Records**

Selkirk Montessori School may exercise its right to deny access to some information contained in student files where the disclosure of information may threaten someone else's safety, mental or physical health, or where disclosure could be harmful to personal privacy of a third party (please reference the [Personal Information Protection Act](#)).

In considering disclosure exception, Selkirk will take into consideration the following:

- Relevant Circumstances
  - Was the information supplied in confidence?
  - Will disclosure unfairly damage reputation?
  - Is the personal information relevant to fair determination of the applicant's rights?
- Disclosure Presumed to be Unreasonable Invasion of Third Party's Personal Privacy
  - Does the personal information relate to educational history?
  - Does the personal information consist of personal recommendations or evaluations about the third party?
  - Does the personal information relate to medical, psychiatric or psychological history, diagnosis, condition, treatment or evaluation?
- Examples of denying access to information would include:

- Evaluations supplied in confidence by a teacher about student with the mutual understanding that the evaluation will be confidential.
- Disclosure of teacher/student interview notes to the student's parent on the basis that mental or physical health may be jeopardized. This could also invade the student's personal privacy.

## **Principle 10 – Complaint Process**

Individuals may question compliance with the above principles.

### **Questions, Concerns and Complaints**

Questions, concerns, and complaints about privacy, confidentiality and personal information handling policies and practices of the school should be directed to the school's Privacy Officer by calling the school office. If necessary, individuals will be referred to use the school's complaint procedure and appeals policies.
